

**BACHELOR OF ARTS IN ART • Studio Art Major**

**2010-2012**  
**Undergraduate Catalog**  
*expires August 2018*

## Sample 4-year Plan

Below is a sample plan for students who plan to complete this program in four years. The sequence assumes that the student was admitted to the university with no foreign language (or other) deficiencies. Some core curriculum courses can be taken in a different order or in the summer. Students should pay particular attention to the sequence of courses in their major and to any courses offered solely in fall or spring. Because this plan is merely a sample, students should consult their departmental advisor or the Office of the Dean, Student Affairs for help in planning their individual schedules. For complete information about degree requirements, consult *The Undergraduate Catalog, 2010-2012*.

*See reverse side for "Notes" and additional requirements.*

These prerequisites count toward electives; however, if students have a foreign language deficiency, these prerequisite courses will remove that deficiency and will not count toward electives or other degree requirements.
