Notes

- 1 Consult the School of Undergraduate Studies for complete lists of courses that may be used to fulfill the core curriculum requirements.
- 2 Courses used to fulfill flag requirements may fulfill other degree requirements as well; therefore, students should select courses carefully. If flag requirements are not satisfied within the minimum number of semester hours required for the degree and major, the student will need to complete additional coursework to fulfill these flag requirements.
- 3 Courses used to fulfill a writing flag requirement may also be used to fulfill other degree requirements, except RHE 306.
- 4 Courses used to fulfill entrance deficiencies do not count toward the degree; all entrance deficiencies must be removed by appropriate courses in order to graduate.
- 5 Students who complete all stated degree requirements without earning the 120 semester hours required for the B.M.: Orchestral Instrument Performance Major must complete additional elective coursework until 120 hours are earned.
- 6 When taken in residence, MUS 312C may either count toward the visual and performing arts requirement of the core curriculum or toward the writing course requirement listed as part of the six-hour communication area of the core curriculum.
- 7 Choose one option with consent of the undergraduate advisor.
- 8 MUS 334 used to fulfill this major requirement may also count toward the visual and performing arts requirement of the core curriculum.
- 9 Refer to the College of Fine Arts' chapter in the *2020-2022 Undergraduate Catalog* for ensemble requirements.
