For students pursuing teacher certification, approved electives include courses counted toward the professional development requirements and other current state certification requirements. Students who complete all stated degree requirements without earning the 120 semester hours required for the B.M.: Music Studies Major must complete additional elective coursework until 120 hours are earned.

## General Degree Requirements

**Grade Point Average (GPA) Requirements:** To graduate, students must have a GPA of at least 2.00 based on all courses undertaken at the university. A student pursuing teacher certification must meet certain grade point average requirements during the course of the certification program. For information, consult the teacher certification officer, College of Education.

Flag Requirements: Extra courses may be necessary if all flag requirements are not met through regular degree requirements, so courses should be chosen carefully. The following flags are required of all students in the College of Fine Arts: Quantitative Reasoning, Global Cultures, Cultural Diversity, Independent Inquiry, Ethics and Leadership, and Writing (2 courses). Courses used to fulfill flag requirements may also be used to fulfill degree requirements. For more information, see the 2016-2018 Undergraduate Catalog.

- Students must complete at least 60 semester hours of coursework counted toward the degree in residence.
- At least 6 semester hours of upper-division coursework in the major must be completed in residence.
- The last 18 hours of coursework in the major must be taken in residence.

Completing Degree Requirements: A minimum of 120 hours and all degree requirements stated in the 2016-2018 Undergraduate Catalog must be completed in order to earn the degree.

### **Teacher Certification**

Students seeking teacher certification must adhere to current state requirements, even if they differ from the degree requirements described in this catalog. Please contact the College of Education for current state certification requirements. Because it serves various needs, the degree program does not specify all of the requirements for teacher certification. The Texas state certification standards require specific coursework and examinations not stipulated in this degree program. A student pursuing teacher certification must carefully select courses to meet the certification standards and must fulfill all of the additional requirements for admission to candidacy and certification (e.g. course prerequisites, grade-point average requirements, examinations). Students intending to pursue teacher certification in music must consult the teacher certification officer, College of Education SZB 216 (512-471-3223) and the music studies faculty mentor in the Butler School of Music for information about the current certification standards and requirements for admission to candidacy.
