### Notes

- Students who do not qualify for MUS 210J must begin at the appropriate lower level (i.e. MUS 201M, 201N). Approval of faculty is required for the completion of the class piano requirement.
- The piano sequence requirements only apply to those students with principal instruments other than piano.
- Refer to the College of Fine Arts' chapter in the 2022-2024 Undergraduate Catalog for ensemble requirements.
- Registration for RHE 306 is based on birth month. Those with an even birth month will register in the fall and those with an odd birth month register in the spring.
- UGS 302 or 303 must be taken in the first year of enrollment at the university. Students are encouraged to take this course in the fall, as there are fewer offerings in the spring.
- When taken in residence, Music 312C may either be counted toward the visual and performing arts requirement of the core curriculum or toward the three-semester-hour writing flag portion of the core curriculum English composition requirement.
- MUS 228K is only offered during odd-numbered years.
- MUS 328M and MUS 343J are only offered during even-numbered years.

### General Degree Requirements

**Grade Point Average (GPA) Requirements:** To graduate, students must have a GPA of at least 2.00 based on all courses undertaken at the university.

**Flag Requirements:** Extra courses may be necessary if all flag requirements are not met through regular degree requirements, so courses should be chosen carefully. The following flags are required of all students in the College of Fine Arts: Quantitative Reasoning, Global Cultures, Cultural Diversity, Independent Inquiry, Ethics, and Writing (2 courses). Courses used to fulfill flag requirements may also be used to fulfill degree requirements. For more information, see the 2022-2024 Undergraduate Catalog.

**Residency Requirements:** Students must fulfill all residency requirements in order to graduate. Refer to chapter 1 in the 2022-2024 Undergraduate Catalog for university residency requirements; refer to the College of Fine Arts' chapter for college residency requirements.

- Students must complete at least 60 semester hours of coursework counted toward the degree in residence.
- At least 6 semester hours of upper-division coursework in the major must be completed in residence.
- The last 18 hours of coursework in the major must be taken in residence.

**Completing Degree Requirements:** A minimum of 120 hours and all degree requirements stated in the 2022-2024 Undergraduate Catalog must be completed in order to earn the degree.
