Notes

- Students who do not qualify for MUS 210J must begin at the appropriate lower level (i.e. MUS 201M, 201N). Approval of faculty is required for the completion of the class piano requirement.
- The piano sequence requirements only apply to those students with principal instruments other than piano.
- Refer to the College of Fine Arts' chapter in the 2020-2022 Undergraduate Catalog for ensemble requirements.
- Registration for RHE 306 is based on birth month. Those with an even birth month will register in the fall and those with an odd birth month register in the spring.
- UGS 302 or 303 must be taken in the first year of enrollment at the university. Students are encouraged to take this course in the fall, as there are fewer offerings in the spring.
- When taken in residence, Music 312C may either be counted toward the visual and performing arts requirement of the core curriculum or toward the three-semester-hour writing flag portion of the core curriculum English composition requirement.
- MUS 228K is only offered during odd-numbered years.
- MUS 328M and MUS 343J are only offered during even-numbered years.
- Each student must complete a recital of compositions and/or arrangements. This recital is given in the senior year and must be approved by the jazz faculty.
