

BACHELOR OF ARTS IN ART • Design Major

Sample 4-year Plan

Below is a sample plan for students who plan to complete this program in four years. The sequence assumes that the student was admitted to the university with no foreign language (or other) deficiencies. Some core curriculum courses can be taken in a different order or in the summer. Students should pay particular attention to the sequence of courses in their major and to any courses offered solely in fall or spring. Because this plan is merely a sample, students should consult their departmental advisor or the Office of the Dean, Student Affairs for help in planning their individual schedules. For complete information about degree requirements, consult *The Undergraduate Catalog, 2016-2018*.

See reverse side for "Notes" and additional requirements.

Notes

- 1 This requirement is part of the core curriculum. Consult the School of Undergraduate Studies for complete lists of courses that may be used to fulfill the core curriculum requirements.
- 2 Registration for RHE 306 is based on birth month. Those with an even birth month will register in the fall and those with an odd birth month register in the spring.
- 3 UGS 302 or 303 must be taken in the first year of enrollment at the university. Students are encouraged to take this course in the fall, as there are fewer offerings in the spring.
- 4 This course may also fulfill one of the two writing flag requirements, but only if it is offered as a writing flag the semester it is taken.
- 5 DES 309 and 374 must be completed with a grade of at least C.
- 6 Selected courses in art history may also fulfill the three-hour visual and performing arts requirement of the core curriculum. Consult the School of Undergraduate Studies for a complete list of courses that may be used fulfill the visual and performing arts core requirement.
- 7 Approval of the design faculty is required before a student may begin upper-division design (DES) courses 320 and above.
- 8 The beginning level of foreign language does not count towards the foreign language degree requirement; however, it does count towards electives. The number of hours that qualifies as the beginning level of a foreign language varies upon the language. The beginning level is a prerequisite for the degree requirement of "intermediate level proficiency in one foreign language". If you would like to take a placement test to place out of the beginning level, you may do so here: <http://learningsciences.utexas.edu/studenttesting/exams>.
- 9 In order to enroll in DES courses numbered 340 or higher, a design major must first pass a performance review conducted by design faculty.
- 10 Please consult the Undergraduate Academic Advisor of the Dept. of Art + Art History to know what course(s) help satisfy the intermediate level proficiency of a foreign language.
- 11 Elective hours will vary depending on any courses counted toward multiple degree requirements. If a student completes all stated degree requirements without earning the 120 semester hours required for the B.A. in Art: Design major, additional elective coursework will be necessary until 120 hours are earned.
