

**BACHELOR OF ARTS IN THEATRE AND DANCE**

## Sample 4-year Plan

Below is a sample plan for students who plan to complete this program in four years. The sequence assumes that the student was admitted to the university with no foreign language (or other) deficiencies. Some core curriculum courses can be taken in a different order or in the summer. Students should pay particular attention to the sequence of courses in their major and to any courses offered solely in fall or spring. Because this plan is merely a sample, students should consult their departmental advisor or the Office of the Dean, Student Affairs for help in planning their individual schedules. For complete information about degree requirements, consult *The Undergraduate Catalog, 2018-2020*.

See reverse side for "Notes" and additional requirements.

## Notes

- 1 When taken in residence, this course may also fulfill the three-semester-hour English composition requirement and one of the two required writing flags.
- 2 Consult the Department of Theatre and Dance for various emphasis choices and requirements.
- 3 This requirement is part of the core curriculum. Consult the School of Undergraduate Studies for complete lists of courses that may be used to fulfill the core curriculum requirements.
- 4 Registration for RHE 306 is based on birth month. Those with an even birth month will register in the fall and those with an odd birth month register in the spring.
- 5 UGS 302 or 303 must be taken in the first year of enrollment at the university. Students are encouraged to take this course in the fall, as there are fewer offerings in the spring.
- 6 This course may also fulfill one of the two writing flag requirements, but only if it is offered as a writing flag the semester it is taken.
- 7 Students must complete the intermediate level proficiency of one foreign language. The number of hours required to complete intermediate level proficiency varies between different foreign languages. See the online course schedule to know how many hours the foreign language of your choice requires to complete intermediate level proficiency. Students should decide upon a foreign language and begin any foreign language prerequisites as early as possible. If students have a foreign language deficiency, these prerequisite courses will remove that deficiency and will not count toward electives or other degree requirements.
- 8 If a student completes all stated degree requirements without earning the 120 semester hours required for the B.A. in Theatre and Dance, additional elective coursework will be necessary until 120 hours are earned.
- 9 Choose among any of the following prefixes: AAS, AFR, AHC, AMS, ANS, ARC, C C, C L, CLS, CMS, EUS, F C, GK, GSD, HMN, ISL, ITC, J S, LAS, LAT, MAS, MDV, MES, PHL, PRC, R S, REE, SPC, WGS. Courses outside the Department of Theatre and Dance that are crosslisted with courses in the department may not be used to fulfill this requirement. This requirement is in addition to the requirements for the 42-hour core curriculum.

## General Degree Requirements

**Grade Point Average (GPA) Requirements:** To graduate, students must have a GPA of at least 2.00 based on all courses undertaken at the university; a 2.50 GPA is required on all upper-division theatre and dance courses taken at the university.

The following flags are required of all students in the College of Fine Arts: Quantitative Reasoning, Global Cultures, Cultural Diversity, Independent Inquiry, Ethics, and Writing (2 courses). Courses used to fulfill flag requirements may also be used to fulfill degree requirements. For more information, see the *2018-2020 Undergraduate Catalog*.

**Residency Requirements:** Students must fulfill all residency requirements in order to graduate. Refer to chapter 1 in the *2018-2020 Undergraduate Catalog* for university residency requirements; refer to the College of Fine Arts' chapter for college residency requirements.

- Students must complete at least 60 semester hours of coursework counted toward the degree in residence.
- At least 6 semester hours of upper-division coursework in the major must be completed in residence.
- The last 18 hours of coursework in the major must be taken in residence.

**Completing Degree Requirements:** A minimum of 120 hours and all degree requirements stated in the *2018-2020 Undergraduate Catalog* must be completed in order to earn the degree.
