

Sample 4-year Plan

Below is a sample plan for students who want to complete this program in four years. The sequence assumes that you were admitted to the university with no foreign language (or other) deficiencies. Some core curriculum courses can be taken in a different order or in the summer. Pay particular attention to the sequence of courses in your major and to any courses offered solely in fall or spring. Because this plan is merely a sample, you should consult your departmental advisor or the Office of the Dean, Student Affairs for help in planning your individual schedule. For complete information about degree requirements, you must consult *The Undergraduate Catalog, 2016-2018*.

See reverse side for "Notes" and additional requirements.

Notes

- 1 When taken in residence, this course may also fulfill the three-semester-hour English composition requirement and one of the two required writing flags.
- 2 This requirement is part of the core curriculum. Consult the School of Undergraduate Studies for complete lists of courses that may be used to fulfill the core curriculum requirements.
- 3 UGS 302 or 303 must be taken in the first year of enrollment at the university. Students are encouraged to take this course in the fall, as there are fewer offerings in the spring.
- 4 This course may also fulfill one of the two writing flag requirements, but only if it is offered as a writing flag the semester it is taken.
- 5 Registration for RHE 306 is based on birth month. Those with an even birth month will register in the fall and those with an odd birth month register in the spring.
- 6 This course may also be used to fulfill the visual and performing arts requirement of the core curriculum.
- 7 Elective hours will vary depending on any courses counted toward multiple degree requirements. If a student completes all stated degree requirements without earning the 120 semester hours required for the B.F.A.: Acting major, additional elective coursework will be necessary until 120 hours are earned. Upper-division T D elective hours must be approved by the student's academic advisor.
