

## Sample 4-year Plan

Below is a sample plan for students who want to complete this program in four years. The sequence assumes that you were admitted to the university with no foreign language (or other) deficiencies. Some core curriculum courses can be taken in a different order or in the summer. Pay particular attention to the sequence of courses in your major and to any courses offered solely in fall or spring. Because this plan is merely a sample, you should consult your departmental advisor or the Office of the Dean, Student Affairs for help in planning your individual schedule. For complete information about degree requirements, you must consult *The Undergraduate Catalog, 2014-2016*. Students seeking teacher certification must adhere to current state requirements in addition to degree requirements. Please contact the College of Education, SZB 216 (471-3223) for current state certification requirements and requirements for admission to candidacy.

See reverse side for "Notes" and additional requirements.

## Notes

- 1 This requirement is part of the core curriculum. Consult the School of Undergraduate Studies for complete lists of courses that may be used to fulfill the core curriculum requirements.
- 2 Registration for RHE 306 is based on birth month. Those with an even birth month will register in the fall and those with an odd birth month register in the spring.
- 3 UGS 302 or 303 must be taken in the first year of enrollment at the university. Students are encouraged to take this course in the fall, as there are fewer offerings in the spring.
- 4 This course may also fulfill one of the two writing flag requirements, but only if it is offered as a writing flag the semester it is taken.
- 5 PSY 301 is required as a prerequisite for a teacher certification requirement (ALD 322) and is on the list of courses that can be used to fulfill the social and behavioral sciences requirement for the core curriculum.
- 6 This course is required for teacher certification in dance only and is not included in the 124 hours required for the degree.
- 7 Choose from one of the following: PSY 304, HDF 313/113L, EDP 363M.
- 8 Electives consist of predetermined certification courses (usually EDC 332S and 950W). Elective hours will vary depending on any courses counted toward multiple degree requirements. If a student completes all stated degree requirements without earning the 124 semester hours required for the B.F.A.: Dance Studies major, additional elective coursework will be necessary until 124 hours are earned.
- 9 With faculty approval, students may satisfy this requirement with any of the following: T D 352T, T D 322E or T D 322J.
- 10 Two semesters of T D 212P are recommended before enrolling in T D 222P. This course is not included in the 124 hours required for the degree.

## General Degree Requirements

**Grade Point Average (GPA) Requirements:** To graduate, students must have a GPA of at least 2.00 based on all courses undertaken at the university. A student pursuing teacher certification must meet certain grade point average requirements during the course of the certification program. For information, consult the teacher certification officer, College of Education.

**Flag Requirements:** Extra courses may be necessary if all flag requirements are not met through regular degree requirements, so courses should be chosen carefully. The following flags are required of all students in the College of Fine Arts: Quantitative Reasoning, Global Cultures, Cultural Diversity, Independent Inquiry, Ethics and Leadership, and Writing (2 courses). Courses used to fulfill flag requirements may also be used to fulfill degree requirements. For more information, see the *2014-2016 Undergraduate Catalog*.

**Residency Requirements:** Students must fulfill all residency requirements in order to graduate. Refer to chapter 1 in the *2014-2016 Undergraduate Catalog* for university residency requirements; refer to the College of Fine Arts' chapter for college residency requirements.

- Students must complete at least 60 semester hours of coursework counted toward the degree in residence.
- 24 of the last 30 semester hours counted toward the degree must be completed in residence.
- At least 6 semester hours of upper-division coursework in the major must be completed in residence.
- The last 18 hours of coursework in the major must be taken in residence.

**Completing Degree Requirements:** A minimum of 124 hours and all degree requirements stated in the *2014-2016 Undergraduate Catalog* must be completed in order to earn the degree.

## Teacher Certification

Students seeking teacher certification must adhere to current state requirements, even if they differ from the degree requirements described in this catalog. Please contact the College of Education for current state certification requirements. Because it serves various needs, the degree program does not specify all of the requirements for teacher certification. The Texas state certification standards require specific coursework and examinations not stipulated in this degree program. A student pursuing teacher certification must carefully select courses to meet the certification standards and must fulfill all of the additional requirements for admission to candidacy and certification (e.g. course prerequisites, grade-point average requirements, examinations). ***Students intending to pursue teacher certification in dance must consult the teacher certification officer, College of Education SZB 216 (471-3223) and the dance studies advisor in the Department of Theatre and Dance for information about the current certification standards and requirements for admission to candidacy.***
