

Sample 4-year Plan

Below is a sample plan for students who want to complete this program in four years. The sequence assumes that you were admitted to the university with no foreign language (or other) deficiencies. Some core curriculum courses can be taken in a different order or in the summer. Pay particular attention to the sequence of courses in your major and to any courses offered solely in fall or spring. Because this plan is merely a sample, you should consult your departmental advisor or the Office of the Dean, Student Affairs for help in planning your individual schedule. For complete information about degree requirements, you must consult *The Undergraduate Catalog, 2016-2018*. Students seeking teacher certification must adhere to current state requirements in addition to degree requirements. Please contact the College of Education, SZB 216 (512-471-3223) for current state certification requirements and requirements for admission to candidacy.

*See reverse side for "Notes" and additional requirements.*

## Notes

- 1 When taken in residence, this course may also fulfill the three-semester-hour English composition requirement and one of the two required writing flags.
- 2 This requirement is part of the core curriculum. Consult the School of Undergraduate Studies for complete lists of courses that may be used to fulfill the core curriculum requirements.
- 3 UGS 302 or 303 must be taken in the first year of enrollment at the university. Students are encouraged to take this course in the fall, as there are fewer offerings in the spring.
- 4 This course may also fulfill one of the two writing flag requirements, but only if it is offered as a writing flag the semester it is taken.
- 5 Registration for RHE 306 is based on birth month. Those with an even birth month will register in the fall and those with an odd birth month register in the spring.
- 6 PSY 301 is required as a prerequisite for a teacher certification requirement (ALD 322) and is on the list of courses that can be used to fulfill the social and behavioral sciences requirement of the core curriculum.
- 7 This course will satisfy part of the 27-28 hour Option 2 in Dance Studies degree requirement.
- 8 Choose from one of the following: PSY 304, PSY 309, HDF 313/113L, EDP 363M.
- 9 Two semesters of T D 212P are recommended before enrolling in T D 222P. The second semester of T D 212P is not included in the 120-121 hours required for the degree.
- 10 The student should be registered for dance technique each long-session semester in residence. To fulfill the degree requirements in dance technique, the student must achieve a suitable level of proficiency and obtain the approval of the dance faculty. At the discretion of the dance faculty, a student may be required to repeat specific dance technique courses in addition to those required for the degree. To continue in this degree program, the student must pass an annual evaluation by the dance faculty. Students whose progress in dance technique is judged unsatisfactory by the faculty will be dismissed from the program.
- 11 Two semesters of T D 222P are recommended before enrolling in T D 232P. The second semester of T D 222P is not included in the 120-121 hours required for the degree.

## General Degree Requirements

**Grade Point Average (GPA) Requirements:** To graduate, students must have a GPA of at least 2.00 based on all courses undertaken at the university. A student pursuing teacher certification must meet certain grade point average requirements during the course of the certification program. For information, consult the teacher certification officer, College of Education.

**Flag Requirements:** Extra courses may be necessary if all flag requirements are not met through regular degree requirements, so courses should be chosen carefully. The following flags are required of all students in the College of Fine Arts: Quantitative Reasoning, Global Cultures, Cultural Diversity, Independent Inquiry, Ethics and Leadership, and Writing (2 courses). Courses used to fulfill flag requirements may also be used to fulfill degree requirements. For more information, see the *2016-2018 Undergraduate Catalog*.

**Residency Requirements:** Students must fulfill all residency requirements in order to graduate. Refer to chapter 1 in the *2016-2018 Undergraduate Catalog* for university residency requirements; refer to the College of Fine Arts' chapter for college residency requirements.

- Students must complete at least 60 semester hours of coursework counted toward the degree in residence.
- At least 6 semester hours of upper-division coursework in the major must be completed in residence.
- The last 18 hours of coursework in the major must be taken in residence.

**Completing Degree Requirements:** A minimum of 120-121 hours and all degree requirements stated in the *2016-2018 Undergraduate Catalog* must be completed in order to earn the degree.

## Teacher Certification

Students seeking teacher certification must adhere to current state requirements, even if they differ from the degree requirements described in this catalog. Please contact the College of Education for current state certification requirements. Because it serves various needs, the degree program does not specify all of the requirements for teacher certification. The Texas state certification standards require specific coursework and examinations not stipulated in this degree program. A student pursuing teacher certification must carefully select courses to meet the certification standards and must fulfill all of the additional requirements for admission to candidacy and certification (e.g. course prerequisites, grade-point average requirements, examinations). ***Students intending to pursue teacher certification in dance must consult the teacher certification officer, College of Education SZB 216 (512-471-3223) and the dance studies advisor in the Department of Theatre and Dance for information about the current certification standards and requirements for admission to candidacy.***
