Notes

- 1 Consult the School of Undergraduate Studies for complete lists of courses that may be used fulfill the core curriculum requirements.
- 2 Courses used to fulfill flag requirements may fulfill other degree requirements as well; therefore, students should select courses carefully. If flag requirements are not satisfied within the minimum number of semester hours required for the degree and major, the student will need to complete additional coursework to fulfill these flag requirements.
- 3 Courses used to fulfill a writing flag requirement may also be used to fulfill other degree requirements, except RHE 306.
- 4 Courses used to fulfill entrance deficiencies do not count toward the degree; all entrance deficiencies must be removed by appropriate courses in order to graduate.
- 5 In order to enroll in courses numbered DES 340 or higher, a design major must first pass DES 131. This course requires a portfolio of the students' works for review by designated design faculty at the end of the semester. The works to be included for review are specified by the design faculty.
- 6 For a complete list of courses that will satisfy the degree requirement of "15 hours Design or supportive courses", see list of supportive courses in the office of the Undergraduate Academic Advisor of the Department of Design. Students may initiate a substitute petition with COFA if they take a different course of comparable content.
- 7 DES 374 and 375 must be completed with a grade of at least C-.
- 8 Students must enroll in Topic 1: History of Graphic Design to receive credit for that requirement.
- 9 Courses which fulfill the ARH or DES history/theory/criticism requirement include lower or upper-division ARH, DES 337, AMS 330, ARC 368R, ARC 318L, or ARC 308. Students may initiate a substitute petition with COFA if they take a different course of comparable content.
