

BACHELOR OF FINE ARTS • Visual Arts Studies Major

Undergraduate Catalog

expires August 2020

Sample 4-year Plan

Below is a sample plan for students who plan to complete this program in four years. The sequence assumes that the student was admitted to the university with no foreign language (or other) deficiencies. Some core curriculum courses can be taken in a different order or in the summer. Students should pay particular attention to the sequence of courses in their major and to any courses offered solely in fall or spring. Because this plan is merely a sample, students should consult their departmental advisor or the Office of the Dean, Student Affairs for help in planning their individual schedules. For complete information about degree requirements, consult *The Undergraduate Catalog, 2012-2014*. Students seeking teacher certification must adhere to current state requirements in addition to degree requirements. Please contact the College of Education, SZB 216 (471-3223) for current state certification requirements and requirements for admission to candidacy.

See reverse side for "Notes" and additional requirements.
