

BACHELOR OF MUSIC • Composition Major*Piano Secondary*

Sample 4-year Plan

2016-2018**Undergraduate Catalog***expires August 2024*

Below is a sample plan for students who plan to complete this program in four years. The sequence assumes that the student was admitted to the university with no foreign language (or other) deficiencies. Some core curriculum courses can be taken in a different order or in the summer. Students should pay particular attention to the sequence of courses in their major and to any courses offered solely in fall or spring. Because this plan is merely a sample, students should consult their departmental advisor or the Office of the Dean, Student Affairs for help in planning their individual schedules. For complete information about degree requirements, consult *The Undergraduate Catalog, 2016-2018*.

See reverse side for "Notes" and additional requirements.

Notes

- 1 Approval of faculty is required for this requirement.
- 2 PIA 202 or equivalent proficiency is required unless the student's principal instrument is piano. Students who do not qualify for PIA 202 must begin at the appropriate lower level (i.e. MUS 201M, 201N, 210J, or 210K). Approval of faculty is required for the completion of the class piano requirement. Depending on course placement in the secondary/class piano sequence, additional elective coursework may be necessary to earn the 120 hours required for the B.M.: Composition major.
- 3 Consult the Director of Undergraduate Studies in the Butler School of Music for a list of the current ensemble requirements.
- 4 This requirement is part of the core curriculum. Consult the School of Undergraduate Studies for complete lists of courses that may be used to fulfill the core curriculum requirements.
- 5 Registration for RHE 306 is based on birth month. Those with an even birth month will register in the fall and those with an odd birth month register in the spring.
- 6 UGS 302 or 303 must be taken in the first year of enrollment at the university. Students are encouraged to take this course in the fall, as there are fewer offerings in the spring.
- 7 This course may also fulfill one of the two writing flag requirements, but only if it is offered as a writing flag the semester it is taken.
- 8 When taken in residence MUS 312C also counts toward the writing flag listed as part of the six-hour communication area of the core curriculum.
- 9 At the discretion of the music theory and composition faculty, a student may be required to complete more than two semesters of Music 224J.
- 10 Choose from one of the following courses: Music 329E, 329F, 329G, 329J, 329M, 350S.
- 11 Choose from one of the following courses: Music 331J, 334 (this course may also count toward the visual and performing arts requirement for the core curriculum), 337, 342, 343J, and 379K.
- 12 Upon approval of the music theory and composition faculty, a composition major must present a recital of his or her works. The recital must be approximately thirty minutes in length and must consist of works approved by the student's composition instructor. It is normally given during the student's last semester of Music 224J and is graded by a jury of designated music theory and composition faculty members. The student must receive from the jury an average grade of at least *B-* for the recital; if the average grade is less than *B-*, the student, upon approval of the music theory and composition faculty, must present another composition recital.
