

BACHELOR OF MUSIC• Jazz Major—Composition

2016-2018
Undergraduate Catalog
expires August 2024

Sample 4-year Plan

Below is a sample plan for students who plan to complete this program in four years. The sequence assumes that the student was admitted to the university with no foreign language (or other) deficiencies. Some core curriculum courses can be taken in a different order or in the summer. Students should pay particular attention to the sequence of courses in their major and to any courses offered solely in fall or spring. Because this plan is merely a sample, students should consult their departmental advisor or the Office of the Dean, Student Affairs for help in planning their individual schedules. For complete information about degree requirements, consult *The Undergraduate Catalog, 2016-2018*.

See reverse side for "Notes" and additional requirements.

Notes

- 1 Approval of faculty is required for this requirement.
- 2 Students who do not qualify for MUS 210J must begin at the appropriate lower level (i.e. MUS 201M, 201N). Approval of faculty is required for the completion of the class piano requirement.
- 3 Consult the Director of Undergraduate Studies in the Butler School of Music for a list of the current ensemble requirements.
- 4 This requirement is part of the core curriculum. Consult the School of Undergraduate Studies for complete lists of courses that may be used to fulfill the core curriculum requirements.
- 5 Registration for RHE 306 is based on birth month. Those with an even birth month will register in the fall and those with an odd birth month register in the spring.
- 6 UGS 302 or 303 must be taken in the first year of enrollment at the university. Students are encouraged to take this course in the fall, as there are fewer offerings in the spring.
- 7 This course may also fulfill one of the two writing flag requirements, but only if it is offered as a writing flag the semester it is taken.
- 8 When taken in residence MUS 312C also counts toward the writing flag listed as part of the six-hour communication area of the core curriculum.
- 9 This requirement only applies to those students with principal instruments other than piano.
- 10 Elective hours will vary depending on any courses counted toward multiple degree requirements. If a student completes all stated degree requirements without earning the 120 semester hours required for the B.M.: Jazz Composition major, additional elective coursework will be necessary until 120 hours are earned.
- 11 Each student must complete a recital of compositions and/or arrangements. This recital is given in the senior year and must be approved by the jazz faculty.
