

Sample 4-year Plan

Below is a sample plan for students who plan to complete this program in four years. The sequence assumes that the student was admitted to the university with no foreign language (or other) deficiencies. Some core curriculum courses can be taken in a different order or in the summer. Students should pay particular attention to the sequence of courses in their major and to any courses offered solely in fall or spring. Because this plan is merely a sample, students should consult their departmental advisor or the Office of the Dean, Student Affairs for help in planning their individual schedules. For complete information about degree requirements, consult *The Undergraduate Catalog, 2018-2020*.

See reverse side for "Notes" and additional requirements.

Notes

- 1 Approval of faculty is required for this requirement.
- 2 Students who do not qualify for MUS 210J must begin at the appropriate lower level (i.e. MUS 201M, 201N). Approval of faculty is required for the completion of the class piano requirement.
- 3 Refer to the College of Fine Arts' chapter in the *2018-2020 Undergraduate Catalog* for ensemble requirements.
- 4 This requirement is part of the core curriculum. Consult the School of Undergraduate Studies for complete lists of courses that may be used to fulfill the core curriculum requirements.
- 5 Registration for RHE 306 is based on birth month. Those with an even birth month will register in the fall and those with an odd birth month register in the spring.
- 6 UGS 302 or 303 must be taken in the first year of enrollment at the university. Students are encouraged to take this course in the fall, as there are fewer offerings in the spring.
- 7 When taken in residence, MUS 312C may also count toward the visual and performing arts requirement of the core curriculum or toward the writing course requirement listed as part of the six-hour communication area of the core curriculum.
- 8 This requirement only applies to those students with principal instruments other than piano.
- 9 This course is only offered during odd-numbered years.
- 10 This course is only offered during even-numbered years.
- 11 Elective hours will vary depending on any courses counted toward multiple degree requirements. If a student completes all stated degree requirements without earning the 120 semester hours required for the B.M.: Jazz major, additional elective coursework will be necessary until 120 hours are earned.

General Degree Requirements

Grade Point Average (GPA) Requirements: To graduate, students must have a GPA of at least 2.00 based on all courses undertaken at the university.

- Students must complete at least 60 semester hours of coursework counted toward the degree in residence.
- At least 6 semester hours of upper-division coursework in the major must be completed in residence.
- The last 18 hours of coursework in the major must be taken in residence.

Completing Degree Requirements: A minimum of 120 hours and all degree requirements stated in the *2018-2020 Undergraduate Catalog* must be completed in order to earn the degree.
