

BACHELOR OF SCIENCE IN ARTS AND ENTERTAINMENT TECHNOLOGIES
Undergraduate Catalog

2016-2018
expires August 2024

Sample 4-year Plan

Below is a sample plan for students who plan to complete this program in four years. The sequence assumes that the student was admitted to the university with no foreign language (or other) deficiencies. Some core curriculum courses can be taken in a different order or in the summer. Students should pay particular attention to the sequence of courses in their major and to any courses offered solely in fall or spring. Because this plan is merely a sample, students should consult their departmental advisor or the Office of the Dean, Student Affairs for help in planning their individual schedules. For complete information about degree requirements, consult *The Undergraduate Catalog, 2016-2018*.

See reverse side for "Notes" and additional requirements.

Notes

- 1 This requirement is part of the core curriculum. Consult the School of Undergraduate Studies for complete lists of courses that may be used to fulfill the core curriculum requirements.
- 2 UGS 302 or 303 must be taken in the first year of enrollment at the university. Students are encouraged to take this course in the fall, as there are fewer offerings in the spring.
- 3 This course may also fulfill one of the two writing flag requirements, but only if it is offered as a writing flag the semester it is taken.
- 4 Registration for RHE 306 is based on birth month. Those with an even birth month will register in the fall and those with an odd birth month register in the spring.
- 5 The foreign language requirement for this major is intermediate proficiency in a foreign language. Students should decide upon a foreign language and begin any foreign language prerequisites as early as possible. These prerequisites count toward electives; however, if students have a foreign language deficiency, these prerequisite courses will remove that deficiency and will not count toward electives or other degree requirements.
- 6 In order to enroll in upper-division AET courses, students must complete at least two Colloquium courses with a GPA of 2.5 or higher, achieve a GPA of 2.5 or higher in all lower-division AET courses, and complete the appropriate Foundations course for the chosen concentration with a grade of B- or higher.
- 7 Elective hours will vary depending on any courses counted toward multiple degree requirements. If a student completes all stated degree requirements without earning the 120 semester hours required for the B.S. in Arts and Entertainment Technologies, additional elective coursework will be necessary until 120 hours are earned.
- 8 The secondary field of study consists of twelve semester hours of coursework outside the Center for Arts and Entertainment Technologies, of which at least six must be upper-division. The secondary field of study must be approved by the coordinator of the B.S. in AET program.
- 9 Choose from either AET 376 and 377 or AET 378 and 379.
- 10 Choose among any of the following prefixes: ANT, ARC, ART, C C, ECO, GRG, GK, GOV, HIS, LAT, LIN, MUS, PHL, PSY, RTF, SOC, T D, or programs of special concentration outside any specific department such as LAS and WGS. Courses outside the Center for Arts and Entertainment Technologies that are crosslisted with courses in the department may not be used to fulfill this requirement. This requirement is in addition to the requirements for the 42-hour core curriculum.

General Degree Requirements

Grade Point Average (GPA) Requirements: To graduate, students must have a GPA of at least 2.00 based on all courses undertaken at the university.

Flag Requirements: Extra courses may be necessary if all flag requirements are not met through regular degree requirements, so courses should be chosen carefully. The following flags are required of all students in the College of Fine Arts: Quantitative Reasoning, Global Cultures, Cultural Diversity, Independent Inquiry, Ethics and Leadership, and Writing (2 courses). Courses used to fulfill flag requirements may also be used to fulfill degree requirements. For more information, see the *2016-2018 Undergraduate Catalog*.

Residency Requirements: Students must fulfill all residency requirements in order to graduate. Refer to chapter 1 in the *2016-2018 Undergraduate Catalog* for university residency requirements; refer to the College of Fine Arts' chapter for college residency requirements.

- Students must complete at least 60 semester hours of coursework counted toward the degree in residence.
- At least 6 semester hours of upper-division coursework in the major must be completed in residence.
- The last 18 hours of coursework in the major must be taken in residence.

Completing Degree Requirements: A minimum of 120 hours and all degree requirements stated in the *2016-2018 Undergraduate Catalog* must be completed in order to earn the degree.
